* The Gold Coast PB Series & UQ All Comers Meets are yet to be added to this calendar.

PLEASE NOTE:

In addition to the normal complexities of scheduling a season calendar, the 2009-10 has proved especially difficult due to a number of issues including;

- Venue availability – The Queensland Sport & Athletics Centre (QSAC) have a number of major concert event bookings;
- Restrictions of available dates – Athletics Australia's revised season structure has determined which dates are available;
- Avoiding clashes with other championships and major events.

As a result some of the scheduling of the Queensland Championships and other events are not ideal and we ask that you please bear with us through some of these difficulties. However, with some interesting changes and additions to the 2009-10 calendar we look to have an exciting season ahead.

If you would like to offer any feedback on the draft calendar please send an e-mail to info@qldathletics.org.au
