Issue: 1

Date: 16 September 2011

Welcome to the first night of competition for the Jimboomba Little Athletics Centre for the 2011-12 season. As per the calendar, tonight's events are for ages U10-U17 only.

Next week's competition (23rd September) will be for U6-U9 age groups only. This will replace last week's competition which was rained out as we feel it is important for the younger age groups to still have an evening to themselves.

From 30th September onwards competition will be for all age groups.

Thank you to everyone who is helping this evening. We are still in pre-season/orientation phase where new athletes and parents are still getting used to the events and how they are run. As long as everyone is enjoying themselves and learning new skills, that is the main thing.

Triallists – please proceed to the triallist table near the shed to register or get your name signed off and collect your tag.

Athletes who need to sign on or pick up sign on gear or uniforms will need to do so **between 5pm and 5:45pm or after 7:30pm.**

Free Clinic Tomorrow (Saturday) for U11-U17 athletes here between 1pm and 4pm
Events being covered are: hurdles, high jump, triple jump and javelin. Please register your interest at the canteen as places are limited.

New pole vault/high jump/long jump pit – over the next couple of weeks a pole vault facility/tartan high jump area and new long/triple jump pit is being installed.

We thank Cr Hajnal Black and Logan City Council for assisting with the funding of this area. We had intended for this to be ready prior to the start of the new season but experienced a few delays. We hope that disruption will be minimal.

Wednesday afternoon training has been cancelled over the holidays. Tradesmen have done too much damage to the track and we have to bend our efforts to repairing this first!!!

Free Beginner Coaching Course - being held by the Department of Sport & Rec at the Multilink Community Centre Woodridge on Tues 27 Sept between 9am and 2:30pm. Lunch is provided! Please advise if you are interested in attending.

Free D Grade Officials Workshop – being held at Algester Little A's on Sunday 9 October. Again, please advise if you would like to attend.

Trophies – we still have a number of trophies left over from last year's presentation in a box up in the shed. Venture up if you couldn't make presentation last year.

Carnivals – we already have programs for some external

carnivals on the notice board. If you want to enter, nomination envelopes are available at the canteen.

Year Book.

A copy of our Year Book has been laminated and chained to the notice board. If you have lost your copy, everything you need to know about our centre can be found there!

Jackets/Jumpers

It can still be chilly at this time of year in the evening. Please remember to bring something warm to wear between events (named). And please remember to take them home again!!!

Achievement Books/Cards

If you are unsure what to do with these, come up to the shed for a run through.

SENIOR CLUB NEWS

Athletes aged U13-U15 can join the Jimboomba Athletics Club free.

Jimboomba Athletics is a Queensland Athletics Division One Club and our athletes do well at state and national championships as well as the Inter-club competition.

There are lots of QA meets to take part in—check out the calendar on the noticeboard. Ralph and Steve provide training on Mondays, Tuesdays, Thursdays & Sunday for senior club members and older athletes who want coaching/training prior to states and beyond.
