Congratulations to all athletes who competed at the Regional Relays at Springwood Little A's. Thank you to parents who helped out during the day and thanks also to all athletes who ran "up" an age, or who competed in events they don't normally contest in order to help out their team mates. In total, 14 of our teams—22 athletes—have qualified to compete at the State Relays on December 11 at ANZ Stadium. A great effort indeed. If any of these athletes find that they cannot attend, please advise asap so a replacement can be found. Please note that in some cases it is impossible to find a replacement due to QLAA limitations, meaning that other team members will be unable to compete.

Any people with outstanding regional relay, state relay or state relay shirt money, can you please settle up asap. See Lisa (Treasurer) up at the club house.

Congratulations to all athletes who competed at Browns Plains last Saturday morning. The Browns Plains officials were very complimentary about our athletes' behaviour and sportsmanship. Well done!!

BROWNS PLAINS CARNIVAL
Nominations and money for this carnival must be in tonight.

Please put your noms in early as our competitions officer Nikky Baker has to leave early this evening. The date of the carnival is Sunday 28th. A programme for the day is on the notice board.

ONLY HELPERS TO REMAIN ON THE OVAL

Up until now we have been fairly lenient with respect to parents on the oval. This is due to the number of days missed to wet weather this season and the fact that we still have people signing on

Please note that only bona fide helpers are now allowed inside the track. Parents are not allowed to stand watching their child on an event. You must be signed in and age marshalling or helping on an event to be inside the track.

RECORDS

Congratulations to the following athletes who have bettered or equaled centre records.

Lilya Pidgeon - U7 long jump 2.68m
