Joanna Stone Shield Meet

Welcome to week 7 of competition. Only a short newsletter this week but some important information.

First, thank you very much to the Nix family who have purchased some new equipment for the centre - discuses and shots. We all very much appreciate your generous donation.

Second, due to a number of requests from parents wishing to purchase athletic equipment as Christmas presents, a "World of Sport" catalogue has been left up at the canteen with an order form. This catalogue contains everything from starting blocks, throwing equipment (including javelins) hurdles, relay batons, stop watches and training equipment etc. If you need advice on the size/type of equipment for your child's specific needs, please see Ralph. Cost will be as per the catalogue (ie no mark-up) but **please add \$5 per order towards delivery**. Orders must be in by Friday 4th December and will be available for collection, here at the centre on Friday 11th December, which is the last day of competition prior to the Christmas break.

Skins Rule

If you are thinking of getting a pair of skins (compression shorts) for your child, please note that QLAA only allows black knee-length skins to be worn (no full-length) and NO brand name is to be visible. Contravening this rule can lead to disqualification at QLAA meets

Regional Relay and Souvenir Shirts money

All of our relay teams for state have now been entered. Could anybody who has not yet paid the \$3 per entry nomination fee, please see Eileen at the registration table.

Souvenir shirts have also been ordered. Could anybody who has not yet paid the \$25 for their shirt also please see Eileen. Please note: souvenir shirts will be handed out at the state relays championships. Limited quantities of souvenir shirts **will be** available to purchase at state relays also, however, it will be a case of first in, best dressed. So if you want a shirt and didn't order one, just make sure you get to the ANZ stadium early on Saturday morning.
