13th & 14th February**

Senior Dates

U14 & U18 Queensland
Championships
6th & 7th Feb

U18 Super 6 challenge
26th February

Regional Championships Next Weekend

Where: Mansfield High School, Ham Road, Mansfield.
(Same place that the regional relays were held)

How to get there: head north on the Mt Lindesay Highway. Turn east on the Logan Motorway towards the Gold Coast. Veer off left onto the gateway extension. Go through toll point.. Take the Mt Gravatt-Capalaba Rd Exit west towards the city. First turn on the right is Ham Road.

We have 59 athletes who have nominated. Check events and start times on the noticeboard.

Parents are asked to be considerate when parking near the venue and not to block driveways, park in bus stops or no standing zones or park on the footpaths or on people's lawns!

Competition starts at 9am Saturday and 8:30am Sunday
If first event, try to arrive 30-45 minutes early so you can get set up and give children enough time to warm up.

Please note that during the day event start times can be brought forward up to half an hour

We have been given the job of running the barbecue and helping Mt Gravatt out with the girl's high jump. Parents can volunteer or will be allocated a job (measuring, replacing the bar, recording etc) and a time to help. Spread over two days it won't be too much work. Parents may like to help when they have a girl high jumping - Chiara Olive (U10), Mahalia Olive U12, Holly Medbury U12, Jade Annakin U12, Tyleah Quinn-Woldhuis (U13 – so they can get close to the action.

We would all like to sit together as a team to support and cheer on all of our athletes. We will be taking the Jimboomba LAC shade structure – can someone please volunteer to transport this?

With nearly 60 athletes and their parents and supporters we will need other shade structures. If a few parents can bring one along each that would be wonderful.

No competition Friday 12th

Please note that as per the Yearbook, due to the regional championships there will be no competition here next **Friday 12th February.**

Wet Weather

It will have to be extremely wet for the meet to be cancelled. If we find out early, news will be put on the website. If unsure in the morning, call the centre phone on 0403 917097
